Electronic Discovery Issues—Problems and Possibilities

July 8, 2003

Please join us Tuesday, July 8 for a lunchtime discussion about the challenges posed by electronic discovery. Judge Diane Sypolt, Robert Hollis and Coleman Bird of the Department of Justice, and Gregory Kaufman of Sutherland Asbill & Brennan will address the differences between electronic and paper discovery, the legal framework, spoliation, and other important issues that stem from electronic discovery. The event will be from 12:00 noon until 1:30 p.m. at the Mastin White Conference Room in the National Courts Building. If you would like to attend, please contact mark.melnick2@usdoj.gov.
